

NATURAL STONE FLOORING & WALLING

Nuage Porcelain

tumbled

tumbled.com.au

The Nuage Porcelain series has a gentle grained textural finish, and is available in five colourways: cream, beige, grigio, nero and taupe. Choose between a matte finish for internal areas, and a coarser anti-slip finish for outdoor spaces like pool surrounds and entertaining spaces. A low maintenance alternative to general natural stone tiles, porcelain's high density, low porosity and minimal water absorption means you can use chemicals and harsh treatments on stains typical of high foot traffic areas.
