Raymond Limestone

tumbled

Raymond Limestone

Raymond is a warm grey coloured limestone. This natural stone by Tumbled, shows subtle characteristics of veining and fossilisation. The finish provides a monochromatic colour, it is then softened by tumbling the natural stone tile to provide a finish that feels nice to walk on. Visually this natural stone has a deeper texture that provides a finish that suits any application.

Stone Colour: Warm Grey

Tile Edges: Tumbled

Tiles Size Options: 400 x 70 x 20mm, 800 x 400 x 20mm, 900 x 400 x 20mm, Opus Pattern 20mm
