Ordering Details

Leadtime for product is 12 - 14 weeks unless instock

Sealing & Cleaning

Tumbled recommends Sealing all Natural Stone Tiles

For more information on caring for your natural stone please refer to our website www.tumbled.com.au

Please note

If you are installing your stone without a grout joint we recommend an extra 15-20% for wastage. This then allows the stonemason to cut and shape the stone to ensure the joints are butt-jointed. We also recommend the installer unpacks each crate of stone and use the mix of the sizes supplied. Tumbled will not exchange smaller pieces for larger pieces, it is the installers responsibility to use all the sizes supplied.
