

NATURAL STONE FLOORING & WALLING

Ava Limestone

tumbled

tumbled.com.au

Sandblasted and tumbled, Ava Limestone's soft patina underfoot lends it to both indoor and outdoor living. This low maintenance natural stone flooring has a P4 slip rating, making it ideal for pool surrounds and wet areas. The stone pieces feature intricate grey veining, adding a natural sense of movement to your spaces. It's striking as a feature floor, yet simple enough to pair with more dramatic textures. Ava natural Limestone give you the flexibility to play with a myriad of contrasting colours throughout your design, from creamy natural stone walling to greens and blues across landscaping and water features.
