

NATURAL STONE FLOORING & WALLING

Grecian Splitstone

tumbled

tumbled.com.au

We source this striking organic splitstone all the way from Greece. Its warm grey tones shine through across lighter and darker pieces, tainted by mineralic elements trapped within. Available in modular patterned tiling, crazy paving and steppers, your installer can create a broad array of stonework patterns throughout your in and outdoor spaces. Plus, this range of sizes allows you to create unique yet cohesive spaces with material consistency. Grecian Splitstone is a highly durable, split-faced natural stone for flooring – a dream for a client with a thirst for foreign shores.
